For final approval, yes, first thing next week. Here is the status:

Rick, Virginia, John SJ and Nancy are fine with current draft. I sent to Wyckoff for review with letter (copied to you). Not sure what their response will be.

I am not in next week but will be available to finalize. John is available mid-Wednesday on. John's cell 732-331-2917. You know how to reach me.

OK

We have had several calls and redrafting on the agreement the past two days. I sent you a summary of this agreement (and have attached it again), and you have the latest draft sent this morning from Virginia (after a call with me, Rick, Virginia, John Kroen and John St. James).

Let me know what you need, or if we need to talk on the phone. I will let Rick know you are expecting him to communicate with him.

Sorry to interfere with the snow time.

Rick and I were concerned about a 5m deposit. I need to know more about that and see Rick's ok prior to my sign off. Thanks

This is the Wychoff deal I spoke to you about Tuesday. There is a \$5m deposit on 12/27 to lock in increased rotations at a significant discount, and fixed for four years. We also receive interest on the unamortized funds. Legal has revised the draft and we are talking with Rick (who is aware of this) at 9:00 this morning. What I sent you was the summary of the deal. It is a good one.
